

## **Accountant**

### **Job Location**

Saskatoon, Saskatchewan

### **Position Type**

Full-time, 14-month term

### **Job Description**

NexGen Energy Ltd. is a well-funded exploration and development company with a portfolio of top tier projects across the Athabasca Basin. Its portfolio is centered in the southwestern Athabasca Basin and includes the Arrow deposit, which is the Athabasca Basin's largest undeveloped uranium deposit. The Company's goal is to become the world's leading supplier of mined uranium.

The position is a full-time, 14-month term position based in NexGen's Saskatoon office. The primary duties include the following:

- Assist the Financial Controller with accounting close process, including recording journal entries, entering accruals, and reviewing general ledger entries.
- Provide banking support, including bank reconciliations, foreign exchange adjustments.
- Analyze financial data and communicate results timely and effectively to management.
- Assist managers with budgeting, forecasting and cost tracking of capital projects.
- Process payroll and enter related journal entries.
- Work with accounting clerk to ensure payables are processed in a timely manner.
- Support and coverage for purchaser.
- Ensure administrative and accounting procedures comply with internal and external requirements and are effectively maintained and implemented.
- Other accounting and special projects, as assigned.

The successful candidate will conduct business in a manner consistent with NexGen's principles of safety, integrity and quality.

### **Required Experience and Skills**

The position will be of interest to candidates who have:

1. A post-secondary degree in Accounting, or equivalent.
2. At least three years of experience, CPA designation or working towards CPA designation.
3. Experience working in mineral exploration or mining considered an asset.
4. Knowledge of accounting procedures including financial reporting and general ledger structure.
5. A strong work ethic and excellent communication skills.

Interested applicants are invited to submit their resumes by February 12th, 2018 through the careers portal on the Company website (<http://nexgenenergy.ca/contact/careers/>)

We thank all applicants for their interest, however only those selected for an interview will be contacted.
