

Assistant Camp Foreman

Job Location

Rook I Camp, Patterson Lake, Saskatchewan

Position Type

Contract, remainder of 2018

Job Description

NexGen Energy Ltd. is a well-funded exploration and development company with a portfolio of top tier projects across the Athabasca Basin. Its portfolio is centered in the southwestern Athabasca Basin and includes the Arrow deposit, which is the Athabasca Basin's largest undeveloped uranium deposit. The Company's goal is to become the world's leading supplier of mined uranium.

The position is a contract position based at NexGen's Rook I Camp. The primary duties include the following:

- Camp maintenance and supervision.
- Camp machinery and equipment maintenance.
- Supervision and proactive management of the Camp's supplies and personnel.
- Management and tracking of all logistics, ordering, shipping, receiving and invoicing related to the Camp.
- Daily and weekly reporting.

The successful candidate will conduct business in a manner consistent with NexGen's principles of safety, integrity and quality.

Required Experience and Skills

The position will be of interest to candidates who have:

1. A high school diploma, or equivalent (grade 12).
2. A valid Class 5 Drivers License.
3. Experience working in mineral exploration or mining considered an asset.
4. Fluent computer skills and proficient in the use of MS Office applications.
5. Highly motivated and able to work independently as well as part of a team.
6. A strong work ethic and excellent communication skills.

Interested applicants are invited to submit their resumes by September 15th, 2018 through the careers portal on the Company website (<http://nexgenenergy.ca/contact/careers/>)

We thank all applicants for their interest, however only those selected for an interview will be contacted.
